

Looking down second floor hallway

Looking down from second floor into the first floor

Room that used to have the fire escape access to it on second floor

Lee Hunsaker's Room 9 8-18-09

Opened up new room on second floor

A look at the open framing on the second floor to the 8-18-09

Splash Central never been so clean  
this past year as it was on Saturday  
8-22-09

Noticed this weird-looking layer of  
plastic on this floor on the second  
floor. Not sure what it is, just weird.

The walls of the second floor landing, show a lot of wear and tear and grunge. Just thought it might be neat to show the back walls of Sigma Beta from the inside.

here's the backside of that chimney

The only markings left on the second floor of Beta - for now 8-18-09
