

Main entrance way to Deck.

Door to the deck fire escape, where Brother Oz would shout over and I'd lock out Brother Tony Scarlotto, our pledges and sorority sisters so everyone could scramble before a raid if they needed to.

Looking from Deck to the far end of the third floor.

Looking out the front of the house from deck.

Chimney up on deck; which was agreed to come down.

Looking down to the end of the third floor.

That's a Chimney there; and over there, too;
up on the third floor opposite deck's end.

Looking down into the stair well, with the walls, opened up

It's a long way down from the third floor to the first floor.
