

The windows are opened up and the former Party Room is made ready for its new buildout.

There were no bodies found in the window wells. But there was one dead rat found in the old shower area.

The windows wells as seen from the third floor.

Looking into the walk-in area

The old room beneath the stairs, is no more. No mirror balls or the electric fireplace from "Disco Joe" Nocera or Russ "I'm going to be a dentist and my new slogan is "Drill, Fill and Bill" Hagopian were found.

The Old Foose Ball Room ... who remembers "One for Foose" ... and the challenge ladder and Tom Asacker and Skip Quinn allegedly being accused of cheating?

This was taken Sept. 1, 2009.

This side shot in to the Foose Room was taken on Aug. 8, 2009.
