

Looking into the Chapter Room from the main hallway

Chapter Room

This fireplace that also went into the bar will be removed and replaced with a flat screen TV and mantle and other ancillary accoutrements.

Chapter Room fireplace

from the Chapter Room into Ace

Looking into the Dining Room

Gerry Cormier Memorial Kitchen

Rotted wood where the sinks were

Rotted wood where the walk-in freezer stood.
No “Sir Burgers” (which are known to have the shelf-life of plutonium and Twinkies) were found (and that must be a good thing).
