

Shots of the Gerald Cormier Memorial Kitchen

The back door (left); and the framing for the new bathroom on the first floor that is now handicapped accessible.

The view into the Chapter Room on Saturday Nov. 6, 2009

The new showers
on the third floor

Bathroom
facilities going
in on 3d floor
where Room
15 used to be.
You can see
the central
stairway
behind the
white PVC
pipes

What construction looks like when they run wires through the framing

Here's what the old pay phone booth looked like on Nov. 6, 2009

Here's what the old
"Deck" area looks like
now.

Check out the
reinforcements on the
third floor windows.

Rooms being framed in on the third floor.

You can see the closet on the right hand side of the photo
