

The parapets as seen on Aug. 22, 2009 and below Sept. 2, 2009 with the parapet removed before being rebuilt.

Yes, you are looking to visualize what is NOT there to appreciate it.

Work and repair has begun on the columns and the roof tops.

Sept. 1, 2009.

What the roof shingles looked like back in May 2009 on a rainy day.
